Statement on Bullying

At Solomontown Primary School, we are committed to providing a caring, friendly and safe environment for all of our students, staff and families.

Bullying is:
Bullying is repeated verbal, physical or social behaviour that is harmful and involves the misuse of power by an individual or group towards one or more persons. Cyber-bullying refers to bullying through information and communication technologies e.g. on the computer, through mobile phone communication and through social media such as Facebook.

Bullying is not conflict or fights between equals and single incidents.

Bullying can be:
Physical: hitting, pushing, touching, grabbing, looks, stares, facial expressions, gestures, spitting, taking or damaging property
Verbal or written: spoken or written insults, threats, suggestive comments, name-calling, unfair criticism, spreading rumours
Cyber: using e-mail, voice and text messaging, social networking sites, photographic and video images
Graffiti: using pictures, tags or words
Social: forming groups to leave someone out, ignore and disrespect; influencing, encouraging or organising someone else to be involved in any type of bullying or harassment.

Why is it Important to Respond to Bullying?
Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Bullying can cause loneliness, depression, anxiety, poor academic achievement, lead to low self-esteem and increased susceptibility to illness. Students who are bullying need to learn appropriate ways of behaving.

Our 5 core values are
❖ Respect
❖ Cooperation
❖ Confidence
❖ Opportunity
❖ Success

In order for students to be successful they need every opportunity to learn. Bullying of any kind is unacceptable at our school.

How to recognise a person who is being bullied:
A child may indicate by signs or behaviour that he or she is being bullied. Adults should be aware of these possible signs and that they should investigate if a child:

- Is frightened of walking to or from school
- Doesn’t want to go on the school bus
- Feels ill in the morning
- Begins to do poorly in school work
- Has possessions go "missing"
- Asks for money or steal money
- Is bullying other children or siblings
- Becomes withdrawn, anxious, or lacking in confidence
- Attempts to run away
- Is unwilling to go to school
- Cries him/herself to sleep at night
- Has nightmares
- Has unexplained cuts or bruises
- Becomes aggressive, disruptive or unreasonable.

These signs could indicate other problems, but bullying should be considered a possibility and should be investigated.

What to do if your child is being bullied:
Written details of bullying incidents should include: when, where, what happened, who was involved (including bystanders) and any action your child may have taken to stop it. This will ensure the school can respond immediately, accurately and effectively.

Please do not approach any children involved or their parents.

Who to report to:
Tell any staff member who you feel comfortable talking to. This could be the class teacher, an SSO, Mrs Heidi Tomkins (Senior Leader), Ms Helen Brill the CPSW (Chaplain), Mrs Sandra Mauger (Principal) or Mr David Manuel (Deputy Principal).
### How to report:
1. Arrange a meeting for you and your child with an appropriate staff member (teacher, principal, deputy, senior leader).
2. Bring to the meeting the facts in writing.
3. Work with your child and school staff on a plan to keep your child safe, including strategies to avoid being bullied and responses to future bullying.

### Advice for Parents:
- If you are worried that your child is being bullied, ask him/her directly.
- Avoid blaming your child for the bullying.
- Don’t tell your child to fight back.
- Give your child a chance to vent his/her feelings about being bullied.
- Access the school for resources about bullying.
- Follow up with the school what action has been taken to stop the bullying.
- Be a role model for your child – treat people with tolerance, kindness and respect. Be assertive rather than aggressive. Speak kindly of yourself and others.
- Contact the school Senior Leader - Mrs Heidi Tomkins for more parent help and advice.

### School Actions:
- In all cases of bullying, staff will record the incidents.
- The role of bystanders in bullying situations will be acknowledged and recorded details will include who was a bystander.
- Where appropriate, parents will be informed and asked to meet with school Leaders.
- The bullying behaviour or threats of bullying will be investigated and the bullying stopped quickly. Responses may take the form of counselling, support groups or adult mediation.
- All responses will maintain a “Restorative Justice” focus (giving the person using bullying behaviours the opportunity to repair damage done).

### Prevention, intervention and coping strategies:
- Students using bullying behaviours may undergo a specific learning program in order to learn skills and strategies to make changes to their behaviour.
- Parents may be asked to attend some or all of these sessions in consultation with the Mrs Heidi Tomkins (Senior Leader) and/or teacher.
- After the incident / incidents have been investigated and dealt with, each case will be monitored to ensure repeated bullying does not take place.

*If the bullying continues, TELL someone IMMEDIATELY.*
